John S will check into Brett Cortwright plans to continue on the board due to non-participation. Patricia talked more about KCA being part of the LinkedIn social/networking website and also suggested a KCA account with facebook. She will be contacting board members about both before the next meeting.

John reported the next NASCAR speedway event will be April 20-21, 2013. He reports that we could earn \$9/hr per participant for volunteering to check IDs and credentials as a fundraiser. He will check further into this event.

Tom suggested that the student chapter members discuss ideas for KCA T-shirts that have a professional theme to sell. The design would be credited to the students and could possibly be designed by inmates in the graphic arts program. John will check on wearing T-shirts at the speedway. Pat will start student chapter meetings in January and they are looking into a fundraiser such as a student/faculty dodgeball and also look into guest speakers coming into the meetings.

Tom suggested that the next teleconference focus on how the KCA chapter is moving forward and how we can continue to advance.
